You must also submit the appropriate request form (ex. transcript request form) for the documents we are mailing.

Express Mail/Courier Service:

Best practices:

- You must use the eShipGlobal website (<https://study.eshipglobal.com>). Do not contact carrier directly.
- Register and activate your account or log-in to your existing account. *Registration/activation is free.*
- Have ready your mailing address, email address, telephone number and debit/credit card information.
- The student ID field is optional.
- Pay close attention to the information submitted, as errors in the credit card or address information could result in a delay of your documents. *P.O. Box addresses are generally not preferred by express carriers. If entering a P.O. Box address, be sure you provide the complete physical address where the P.O. Box is located.*
- Indicate what the shipment is for in the "Remarks" field.
